STATEMENT FROM ASSEMBLYMAN JIM SILVA CONCERNING THE CALIFORNIA WILDFIRES

The Southern California wildfires have led to the evacuation of over one million Californians from their homes. So far, 350,000 houses have been ordered evacuated and over 1,600 of these have burned to the ground. I am grateful that the 67th Assembly District has thus far been untouched by these devastating blazes, which have already burned over 600 square miles of land.

I would like to express my sincere condolences to the victims of these wildfires, many of whom have lost everything they had. I keep these Californians in my prayers, as I do the thousands of firefighters who continue to courageously battle these fires. I know you join me in offering our continued support to our Southern California neighbors.
